NOTICE TO ALL PARTIES

Prior to beginning his clerkship, and prior to the filing of any of these cases, my law clerk, Patrick Hynds, participated in conversations with some of the lawyers representing some of the plaintiffs in this action. Those conversations took place before this case was filed and were not about this case or Texas redistricting.

At that time, Mr. Hynds was an associate attorney at Hogan Lovells US LLP in Washington, DC. Mr. Hynds participated in conference calls to discuss possible pro bono work. The conversations were general and about the potential for collaboration on voting rights projects. Mr. Hynds did not engage in any pro bono work for these organizations as a result of those conversations.
